<p>Bibliography - where you got your information including pictures – learning launchers, websites, etc. use http://www.bibme.org/ apa format(2pts)</p>	

Student Score ____/30

Rubric for Project Plan (red outline)

In your website on your engagement page set up your plan. It should include the following: What you already know, Objectives, World Connection, and a Timeline for completing your project – what you will accomplish each day.

Description	10-8	7-5	4-3	2-1
10pts- What do you already know about topic?	Thoughtful response of what you already know about the subject.	This element describes what you know but is not specific	This element is vague or not clearly described	This element is poorly described
10 pts-SMART Objectives - Our project objective specifically states what we intend to achieve. They should be Specific, Measurable, and Attainable.	clearly describes the Specific, Measurable, Attainable tasks to be accomplished	This element describes the tasks to be accomplished but is not specific	This element is vague or not clearly described	This element is poorly described
10pts-Completion - Time-Based list dates class meets and what you plan to do each day. This can be a calendar inserted in your website	A realistic timeline was established and met. All dates were filled in.	A realistic timeline was established. No more than one date was not filled in.	A timeline was established and is missing many details.	The project timeline was not realistic or was missing important elements.

Daily Journal/Blog

Wk 1: Mon ___/10 Tue ___/10 W/Th ___/10 Fri ___/10 Wk 2: Mon ___/10 Tue ___/10 W/Th ___/10 F ___/10

Daily Journal	10-8	7-5	4-3	2-1
The details of your daily activities should be recorded in your Daily Journal. Describe what you did, how you did it and what you learned . Include what worked and what did not, the problems or challenges you encountered, and how you solved them. Note any unresolved questions you might have.	Completely filled in with the date, the main tasks completed (what you did), and steps within tasks (how you did it), and what you learned. Include any problems you had and how you solved them.	One part is missing or it is not completely filled in - the date, the main tasks completed (what you did), and steps within tasks (how you did it), and what you learned. Include any problems you had and how you solved them.	Some parts are not completely filled in with the date, the main tasks completed (what you did), and steps within tasks (how you did it), and what you learned. Include any problems you had and how you solved them.	Many parts are not completely filled in with the date, the main tasks completed (what you did), and steps within tasks (how you did it), and what you learned. Include any problems you had and how you solved them.

Student	Description - Project Plan
	What I know about the topic:
	My Objectives: - Detailed and specific, measurable, attainable – what am I going to build, create, accomplish
	Dates of Completion – Time-Based showing each day we meet and what you will accomplish on each day.
